<u>ITEM NO.3(3):</u> SETTING UP OF E-CLASS ROOM IN KENDRIYA VIDYALAYAS It was suggested by Joint Secretary (SE&L), MHRD that feedback regarding already established e-classrooms must be obtained. It was also agreed upon that e-content developed in-house may be given to NCERT/NVS for evaluation of the content. It was also suggested that help from NIIT, Educomp may be obtained for fine tuning the developed content. Joint Secretary (SE&L), MHRD suggested that only one section per class may be taken up for setting up of additional e-class rooms in remaining 15 regions. He further advised that bigger schools may be selected for establishing e-class rooms while distributing among regions. With the above observations, the AAC noted the proposal of KVS for setting up of E-Class Rooms.	The Board approved setting up of e-Class room with the suggestion that e-Classroom functioning be integrated seamlessly with curriculum in such a way that value addition is visible. Teachers should be familiar with the use of technology in classrooms. The usefulness of 50 established e-Classrooms be evaluated after getting feedback from students and teachers. Regarding the quality of e-content, it was decided that the e-content developed by KVS should be evaluated and vetted by NCERT/CBSE by 31.03.2013.
<u>ITEM NO.3(4):</u> TO IMPLEMENT THE MOU WITH IGNOU ON 'TRAINING OF KVS TEACHERS' (WITH IGNOU) It was suggested by Joint Secretary (SE&L), MHRD that NCERT should also be involved in the preparation of training module/course development. On the issue of budget, JS(SE&L) mentioned that KVS could send the requisition to MHRD, however, the chances of any additional funds being made available are remote and KVS should look at savings within its allocated funds. It was further suggested that there should be a component for follow up/review after the teachers are trained by IGNOU.	The Board has approved the agenda. However, it was suggested that the training module be prepared in collaboration with NCERT. It was also suggested that focus should be on strengthening of existing ZIETs. There is a need to have a re-look at the entire training model. A strong mechanism to be developed to monitor the quality of on-going teacher training programmes so that it can be assessed as to how children

	are being benefited. Capacity of master trainers needs to be improved so that quality cascade effect happens.
